**Field Day Report:** results are in for field day and we as small club did very well.

### **Non-club Activities:**

ARES reports that they had a good turn-out and simulated drill in Geenville county of which 2 of our couples helped here. It went well, except the Fire Dept and Police Dept need to communicate better. There will be another drill in Oconee County in Nov.

### **Old Business:**

Christmas dinner will have a short meeting also. Celia KF4DRG will check and make reservations for DEC 11 or 18th. It was suggested we have a Chinese Gift exchange(amount of \$5 limit) To be held at Blacks Fish Camp.

### **New Business:**

We need some one to do the web page, as Carl no longer can. Celia said she would if someone would show her how. The page needs to be edited and maybe changed a little. The club appreciates Carl's hard work on this project all this time. We also need a net manager and a net control operator on Thursday night. Deborah to check with Carl about the net manager. John continues to host the web page. It was decided that we need a club historian--Diana, N8COB, and Linda, KB8YQB, will co-chair this project.. WE need some of the history of the club since it started. A new member application was read (Russell Tower) will be voted on at next meeting.

Door prize was won by Bob KB8YQA.

Meeting was adjourned 1016AM.
