

Minutes of the 7/22/2006 Meeting

The meeting was called to order by President Jennifer KG4YDC. It began with a very informative and useful presentation by Lew KE4UIZ about the possibility of a pandemic flu outbreak caused by the Avian or Bird Flu. After questions and discussion, the business portion was opened.

There were 7 members and 5 guests present. The membership application of John Owens KI4QCU was unanimously accepted. The minutes were approved as posted on the web site. A treasurer's report was given by Gretchen KE4HGX. Repeater Trustee Wes KS4XQ says there are no problems with the repeaters.

The members present decided that October 1st was the preferred date for the annual picnic at Amor N2FY and Judy's. This info will be passed on to Amor for their approval.

Lew KE4UIZ brought up two options for meeting places: 1) Ryans and 2) the Red Cross office. He suggested we could rotate bringing food, and make a donation to the club instead of buying breakfast. A discussion was had. Jennifer KG4YDC said we could talk about it again when more members were present.

Drawing were held for the door prize and the "half & half".

The meeting was adjourned.

**Respectively submitted:
Gretchen KE4HGX
Secretary/ Treasurer**
