

## Minutes of the 5-27-06 Meeting

The meeting was called to order by President Jennifer KG4YDC. There were 12 members and two guests in attendance.

The minutes from the last meeting were approved as posted on the web site.

Gretchen KE4HGX gave a treasurer's report and it was approved.

Repeater Trustee Wes KS4XQ says both repeaters are working fine. We had a clean-up day at the repeater site on May 13<sup>th</sup> and Lowell KK5JZ sprayed the entire area with Round Up. Hopefully this will take care of the weed problem for awhile. We also cleaned up the bench in the repeater building and removed some rocks from the building roof.

### Events:

- Brian KR4SP gave a report on the Fox Hunt that was held in Anderson last month. It was very successful and a good time was had by all.
- Jennifer KG4YDC summed up the activities for the communications that the club provided for the annual Pickens County March of Dimes walk on April 29<sup>th</sup> in Easley. Our assistance was very much appreciated as noted by a letter we received from Paulette Dunn, Community Director.

**Old Business:** Amor N2FY & Judy will look at dates in late September/ early October for the picnic at their home.

**New Business:** Jennifer KG4YDC would like to have a program at a future meeting on a pandemic flu out-break. It was decided for the July meeting. Lew KE4UIV AND Earlette KI4KWC will do the presentation.

Jennifer KG4YDC announced that 4 club members received awards at the annual American Red Cross Volunteer dinner on May 25<sup>th</sup>. Gretchen KE4HGX reported the ARC held an exercise on May 20<sup>th</sup> and the club repeater was used for communications. It was a huge success and excellent practice for an emergency situation.

Brian KR4SP presented a very informative talk on: programming radios in an emergency; emergency power and generators and Anderson power poles.

Drawings were held for the "half & half" and the door prize.

Respectively submitted:  
Gretchen Ellison KE4HGX  
Secretary/Treasurer FARC
