

FARC Minutes for 8-23-2008

The meeting was called to order at 9:10 by President Jennifer KG4YDC. There were 6 members and 2 guests present.

The July minutes were approved with one addition of the annual picnic at Amor N2FY and Judy's in October.

The treasurer's report was read by Gretchen KE4HGX and approved. She reported that we now have \$208 money in our club equipment fund. Lowell suggested we add to the equipment fund at the end of the year instead of contributing to a charity. That will be open for discussion at future meetings.

Wes KS4XQ reported the addition of another tower at our repeater site.

Phil N2ARB has turned to projected test session over to Slim WT4C who will be the contact person for one when needed.

The American Red Cross will hold an exercise on October 4th. It was decided that the annual picnic would be on October 5th at 2:00 PM. Judy said she is planning on salmon as the meat, so every one planning on coming should bring a side to go with it. Lowell KK5JZ and Gloria are going to do homemade ice cream so the dessert is well covered. We will get a head count at the next meeting which will be September 27th.

A drawing was held for the 50/50 auction and Jennifer contributed it to the equipment fund.

Meeting adjourned.

Respectively submitted;

Gretchen KE4HGX
Secretary/ Treasurer FARC
